

## **COVID-19 Update**

In line with the recent announcement from the UK government, we have altered our opening times at *Elements* to ensure the continued safety of our customers.

In order to comply with the change in legislation, we will be serving food from midday to 10pm. The last sittings for food will be taken at 8pm. We are open as usual from 10am for coffees and cakes.

Our menu is available through **table service only** and we would advise to book ahead to avoid disappointment.

Your personal safety is our priority; therefore, we do require customers to sanitise their hands upon entering *Elements*. We also ask you to wear a mask at all times, except when you are seated. All our bar staff and waiters will wear face coverings/visors when serving you, to keep everyone safe and sound.

We are also accepting bookings, per previous governmental guidelines, of a **maximum of six people**.

To book a table online, please visit our website [here](#), call us on 01288 352386 or send us a message via [Facebook](#).
